

Oxford TOPsoccer Team

Invites all interested (Oxford & neighboring towns) to join us for a morning full of fun at an informational "Meet and Greet" on Saturday, August 16th, 10:00 a.m. Quaker Farms School, Oxford

Special Needs Soccer

The Outreach Program for Soccer (TOP Soccer) is unique in that it fosters an opportunity of learning, teamwork and enjoyment while providing physical activity for children (4-19) with disabilities, both cognitive & physical.

We believe that soccer is beneficial for many reasons... A child's motor skills are enhanced, self-esteem is boosted, cognitive skills are improved (self-regulation and decision making), and social skills practiced. All this while having fun!

Seeking athletes, buddies, &

Volunteers for our first season of "football!"
